Telegraphic Transfer Charges

Type of charge	Amount of charge
Charge for Cash In Benefit payments by Telegraphic Transfer	£6.00

As described in Part 7 of the Contract Conditions, this charge will either be deducted from a Cash In Benefit before it is paid out or deducted from the Bond Fund in addition to the Cash In Benefit payable.

We will increase the amount We deduct from each payment, without notice, if the cost We incur in making such payment increases. The amount of such increase will equal the increase in cost We incur.

Annual Management Charge

The Annual Management Charge (AMC) is deducted on a daily basis from the Internal Unit-Linked Fund(s) allocated to Your Bond and is accounted for in the calculation of the daily Unit Price as described in Part 7, Condition 7.1.1 of Your Contract Conditions Booklet. The level of charges can vary between funds and the current annual rate for each fund appears in the table below.

Further costs

In addition to Our annual charges, there may be further costs incurred. Where they are applicable, they're paid for by the fund and will impact on the overall performance. Some examples of what these further costs might include are shown below. These aren't listed in order of importance, they won't necessarily apply to all funds, and this isn't an exhaustive list.

Name	What does that mean?	If they're applicable, then where would they appear in a Key Information Document or Investment Option Document?
Miscellaneous fund administration fees and costs	There can be a number of different administration fees and costs associated with funds. These can include, for example, audit fees, custody fees, infrastructure costs, registrar fees, regulatory fees, stock lending fees and trustee fees.	In 'Other ongoing costs'
Performance fees	In some funds the fund managers are paid a fee depending on how they perform.	In 'Performance fees'
Property expenses	For funds that invest in property, either directly (i.e. the fund owning physical property) or indirectly (i.e. owning units in a property fund or shares in a property company) there are costs incurred for managing these properties. These can include costs for development, maintenance, oversight and renovation of the properties held, collecting rents, managing tenants as well as running costs that cannot be passed onto tenants.	In 'Other ongoing costs'
Transaction costs	When a fund manager trades the investments in a fund (for example, makes a decision to sell one holding and buy another) there are associated costs, for example taxes.	In 'Portfolio transaction costs'

The table below can be used to assess the impact of the AMC and further costs on Your Investment in the funds listed. It shows the Internal Unit-Linked Funds that You can select from and the currencies that their prices are denominated in. The column headed "Further costs" highlights the current expected level of these costs but they may vary over time.

Prudential International Internal Unit-Linked Funds	Fund currency	Annual Management Charge p.a.	Further costs p.a.	Yearly total p.a.
Euro Deposit Fund	€	0.50%	0.00%	0.50%
UK Deposit Fund	£	0.50%	0.00%	0.50%
US Dollar Deposit Fund	US\$	0.50%	0.00%	0.50%

Delegated Management Charge

Where a Discretionary Asset Manager is appointed to manage all or part of Your Bond Fund Assets, We will apply a Delegated Management Charge each quarter. This will be an annual percentage rate based on the quarterly valuation of the assets managed by a Discretionary Asset Manager.

Changes to Charges and Limits

Fund charges and further costs may vary in future and they may be higher than they are now. We'll write to You if an AMC changes for an Internal Unit-Linked Fund You're invested in. As it's normal for further costs to vary over time We won't contact You when they change but You can contact Us at Our Administration Centre should You need information about any changes. If fund charges and further costs exceed the return earned, the fund will go down in value.

From time to time We may change the limits and charges in this Statement of Charges as described in Part 7, Condition 7.1.4 of Your Contract Conditions Booklet.
